

Letter of Acceptance of Public Administrations to the WiFi.Italia.It project

The undersigned _____, as legal representative of the institution _____, declares to adhere to the project called WiFi.Italia.It, deriving from the agreement of understanding between MiSE, MiBACT, Agid and ANCI, of which it is an integral part, signing and sending this letter of acceptance to the address pec: dgscerp.dg@pec.mise.gov.it.

The body I represent will participate in the project called WiFi.Italia.It is committed to:

1. Free of charge for all end users with high QoS.
2. Federate your WiFi network to the national WiFi.Italia.It network in compliance with the technical rules published on the website www.wifi.italia.it in compliance with international standards, so as to satisfy the interoperability of the systems on the entire network.
3. Encourage membership in the WiFi.Italia.It national network of other free WiFi networks present in its territory.
4. Promote the download of the APP for access to the WiFi.Italia.It national network in accordance with the action carried out by the Government.
5. Provide the MiSE with information on the access points that will be published on a special interactive map developed on the website www.wifi.italia.it and on the APP, in order to facilitate the accessibility of users in the area and allow the promotion and the development of new services of tourist and cultural interest.
6. Manage and maintain the access points of your WiFi network.

The undersigned indicates as his technical representative the Mr. of the Office N phone
Email address and email address pec

Rome,

The document is digitally signed pursuant to Legislative Decree 82/2005 s.m.i. and related rules and replaces the paper document and the handwritten signature.
